Hi Yaz,

I have been working on it this afternoon. I will be at PADEP Region 2 (Northeast) tomorrow for the workshare meeting and can pick this up in the afternoon. Do you know when they need it by? Nothing has changed on our end since that meeting last year with the riverkeeper but I will document everything on the brief paper.

Thanks,

Linda,
I guess they should download and use this briefing format?

Hi – Several months ago Maya Van Rossum came into EPA and talked about the Bishop Tube Site (PA) to us. I can't remember if either of you were in your position at that time but I do remember Site Assessment was present. Cos wants to call the Township and get a status of what is going on. In preparation, he is requesting a one page briefing paper. Can you have your staff put a paper together with their most recent information. Please send it to LaRonda, Karen, and I. Thanks
